

LexisNexis® Auto Data Prefill - Data Packs

Know more at the
point of quote

Take full advantage of
the power of LexisNexis®.

Now you can enhance core LexisNexis® Data Prefill with Data Packs to provide more intelligence and identify additional insurable interests at the point of quote.

Comprehensive data, minimal input

Contacts Pack

The LexisNexis® Contact Package can help you capture correct consumer phone numbers and email addresses at the initial point of contact.

Life Experience Pack

To help you reduce premium leakage, the LexisNexis Life Experience Pack provides two popular data points associated with an applicant's life events: Marital Status and Length of Driving Experience.

Residence Pack

To help you ensure premium accuracy, LexisNexis® Residence pack provides four popular data points associated with an applicant's current residence: Current Residential Address, Length of Residency, Homeownership, and Parking Type/Capacity.
