

CCG IQ *Ready for Guidewire* Add-on for Specialty Claims Investigations

> Guidewire PartnerConnect™ Solution Overview

The Insurer Challenge

Settling claims that include specialty equipment easily and accurately.

The Solution

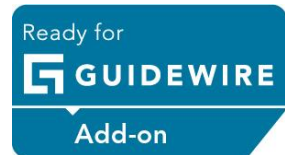

CCG IQ's specialty claim products – HVACi and StrikeCheck onsite assessments and desktop reviews – allow adjusters to settle complex specialty equipment claims more quickly and with a higher degree of accuracy.

Solution Benefits

- Provides actionable reports on claims involving HVAC and electrically powered equipment
- Offers adjusters everything they need to settle these claims:
 - Cause of loss
 - Scope of repairs required to return the insured to pre-loss condition
 - Repair vs. replacement cost comparison
- Industry-leading cycle times

Integration Benefits

- Assign claims for investigation to HVACi and StrikeCheck without leaving ClaimCenter
- Reduce costs and cycle times by lessening the number of touchpoints on a file
- Securely open the final report through ClaimCenter
