

Imburse

> Guidewire PartnerConnect Solution Overview

The Insurer Challenge

In a world where payment technologies and consumer preferences continue to change, Insurers have a difficult time continuously deploying new and cost-effective payment technologies on their existing IT infrastructure.

The Solution: Imburse

Imburse provides integration-free access to the global payments ecosystem. By connecting to Imburse, Insurers can easily and quickly integrate any payment providers or technologies they want, in any market, without additional costs. The Imburse platform offers full flexibility to adapt to customer needs and to keep ahead with leading technology.

Solution Benefits

- Reduce Cost
- Improve Speed to Market
- Enhance Reconciliation and Reporting

Planned Integration Benefits

- Convenient Single Point of Entry
- Access to multiple technologies and providers
- No direct integration requirements

INTEGRATION PLANNED

Accelerator
