

# Verisk *Ready for Guidewire*

## Accelerator for LightSpeed® Auto

### > Guidewire PartnerConnect Solution Overview

#### The Insurer Challenge

A typical quote involves 10 to 35 questions and takes 7 to 20 minutes to complete. Meanwhile, 30 percent of prospects never make it through the sales funnel. Plus, another third are up-rated after the initial quote, and more than half of those prospects will not purchase.

#### The Solution

Unlock one-rate auto insurance acquisition and quoting with LightSpeed® Auto. Deliver a seamless customer experience using unmatched data resources and predictive analytics, with accurate, bindable quotes presented in two minutes or less.

#### Solution Benefits

- Digital auto insurers own the future. Accelerate your acquisition strategy by optimizing your sales funnel and effectively managing your acquisition cost.
- Instantly identify quotes and align them with the proper workflow to enable straight through processing or detailed data review.
- Reduce quoting time without sacrificing data accuracy or quality.
- Eliminate premium leakage and fraud. Enhance satisfaction and the buyer experiences by instantly leveraging various data sources and powerful analytics.

#### Integration Benefits

- Customers can seamlessly access Verisk auto solutions including Prefill services, Coverage Verifier, A-PLUS Auto, Risk Check Point of Sale, MVR Services and more via LightSpeed® Auto for PolicyCenter.
- Facilitation of improved user workflow.
