The Insurer Challenge

Insurance organizations are struggling to deliver relevant omnichannel customer experience. With Quadient, insurers can deliver optimized experiences for each customer through timely, contextual, and accurate communications across channels and devices their customer prefer.

The Solution: Quadient® Inspire

Quadient® Inspire, our award-winning CCM solution, enables insurers to extend the benefits of their Guidewire integration by increasing the speed, accuracy, and number of channels with which insurers communicate with customers, agents, and brokers.

Solution Benefits

- Smooth integration with Guidewire billing, policy and claims platforms
- Optimize the insured experience through journey mapping, analytics and orchestration of individual touchpoints.
- Make changes in one location and apply everywhere you choose, while content blocks are locked down to safeguard regulatory language where required.

Integration Benefits

- Marketplace accelerators for all Quadient Inspire capabilities including Data orchestration, ISO forms, interactive editing, omnichannel and Archive and Retrieval.
