

Social Discovery Corp *Ready for Guidewire*

Add-on for Social Media Background Reporting

> [Guidewire PartnerConnect Solution Overview](#)

The Insurer Challenge

Identifying, capturing and analysis social media content relevant to case files on claimants in a cost efficient and timely manner.

The Solution:

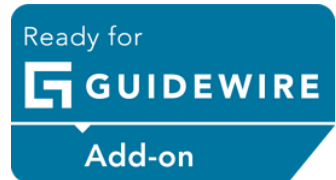

Best in class social media intelligence with curated and complete social media reports. Social Discovery leverages multiple internal toolkits and specialized teams to positively identify claimants and extract relevant information on claimants that are specific to each individual case file. Completed Social Discovery reports can be reviewed in minutes.

Solution Benefits

- Curated and completed social media reports – Actionable Intelligence
- No False Positives, no additional research time required by adjusters
- Increased efficiency through time and cost savings

Integration Benefits

- Seamless integration with Guidewire ClaimCenter - adjusters are able to order and download social media reports within the claim environment
- Auto fill of key claimant data for ease of report request submission, significantly reducing repetitive keystroke data entry
- Results delivered within ClaimCenter
- Eliminates time consuming need to data mine the internet for relevant content
