Product Features

INTEGRATION

Seamless Subrogation Insights

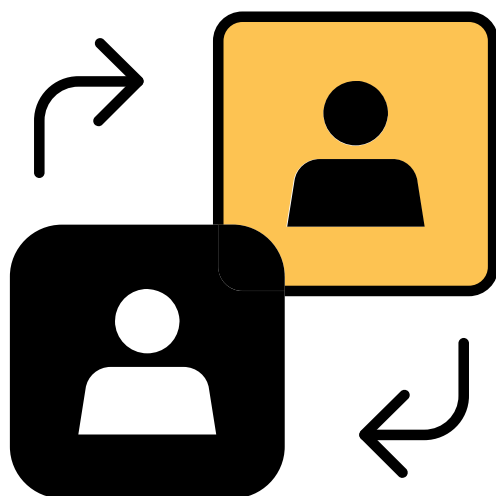

See all the Subrogation activity on a claim directly from the Vendor Activity tab. Every phone call, letter, and payment is available directly in the Subrogation Tab.

REPORTS

Enhance Customer Satisfaction

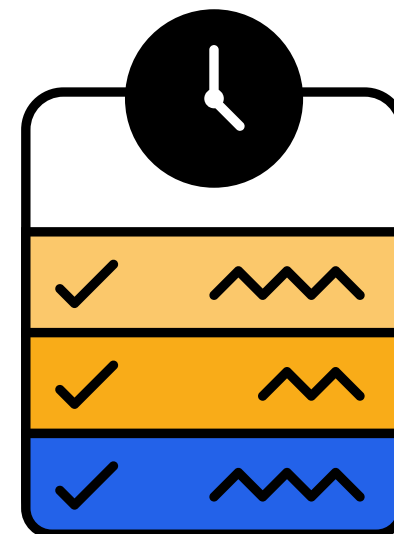

Give your Insured immediate answers to their questions using the Vendor Reporting tab. See all the most recent data from your ESV, powered by SubroConnect's bi-directional data exchange.

SOLUTION

One Solution for all Vendors

Reduce the risk of vendor lock in by providing a single data exchange solution across all of your external subrogation vendors. Choose from a list of approved vendors, and start assigning claims within days, not months.

SECURITY

Ease Adjuster Onboarding

Accelerate adjuster onboarding by providing a single interface to request specific answers from any of your external subrogation vendors. No more portals, emails, or phone calls.
