

RISING + GUIDEWIRE

One Integration. All Managed Care & Referrals –
VISION™ Simplifies Every Login.

STREAMLINE MEDICAL MANAGEMENT WITH ONE POWERFUL CONNECTION

Rising's Accelerator for Guidewire provides complete access to comprehensive managed care services through a single, pre-established integration. Our proprietary VISION™ platform streamlines how you handle everything—from medical bill review to care management to compliance reporting—simplifying claims administration while improving outcomes throughout the recovery lifecycle.

ACCESS RISING'S VISION™ MARKETPLACE INSTANTLY

In addition to our full suite of managed care services, Rising's Accelerator for Guidewire Cloud gives claims and clinical users access to VISION™ Marketplace—an extensive partner ecosystem that powers one-click referrals for ancillary vendor services, eliminating portal fatigue and freeing time for expert-level work.

COMPLETE SERVICE PORTFOLIO AT YOUR FINGERTIPS

- Medical bill review & payment processing
- Utilization review & case management
- Ancillary services (DME, PT, home health, diagnostic imaging, Rx, & more)
- Medical compliance reporting (state reporting, CMS 111, NCCI)
- MSA administration & more

FASTER IMPLEMENTATION, LOWER RISK

Our pre-built, fully vetted Guidewire integration eliminates the typical barriers of time, cost, and technical risk.
