

InvoiceCloud is a Technology Alliances Premier Partner

InvoiceCloud Payments Accelerators

As a Premier Partner in the Partner Connect program, InvoiceCloud has developed an extension for Guidewire's PolicyCenter, BillingCenter, and ClaimsCenter accelerators to provide transformative experiences to insurers and policyholders nationwide.

With InvoiceCloud, insurers carriers can:

- **Accelerate claims** resolution with real-time digital disbursements
- **Reduce costs, errors, and fraud** tied to paper checks and manual workflows
- **Elevate policyholder loyalty** with intuitive, self-service experiences
- **Lower support volumes** by making payments feel effortless and transparent

“Guidewire is proud to recognize InvoiceCloud as a Premier-level Technology Alliance partner. Since joining the Guidewire PartnerConnect ecosystem in 2020, InvoiceCloud has consistently shown a deep commitment to innovation, partnership, and delivering value to our shared customers.”

- Will Murphy
Vice President Technology Alliances and Marketplace
Guidewire Software, Inc

InvoiceCloud's Cloud Native and V10 Accelerators are Available on the [Guidewire Marketplace](#).
